Too much of a good thing! That's what we are all liable to take during a holiday season. Healthy, jolly people will do it and make themselves sick. "In time of peace prepare for war," and have about the house a pleasant, perfect, palatable, positive medicine for sour stomach, sick headache, colic, winds, belching, biliousness, furred tongue, lazy liver, constipation, bad breath, bad taste, all liable to result from holiday over-indulgence. Cascarets Candy Cathartic is what you want; a tablet after a big meal will prevent sickness, or a tablet at night before going to bed, after a good time, will fix you all right for morning, and let you get up clear as a bell, ready for business or pleasure.
